

The Quiet Check Valve

- ✓ Clear PVC allows for easy inspection of water flow and valve operation
- ✓ Full flow design with quite offset flapper
- ✓ Prevents backflow for maximum pumping capacity
- ✓ Design contributes to less frequent cyclin prolonging the life of the pump motor
- ✓ Ideal for new installation or as a replacement for virtually any sump application
- ✓ The clear check valve is available in 1 1/2" or 2" diameter

Can be used with the Saber Sump Pits and Stormpro Pumps
